

## CP With Shibam

### Day-22

#### [A. Brain's Photos](#)

```
#include <iostream>

using namespace std;

int n,m;

char x;

main() {

    cin>>n>>m;

    while(cin>>x) if(x!='B' && x!='W' && x!='G') { cout<<"#Color"; return 0; }

    cout<<"#Black&White";

}
```

#### [A. Square String?](#)

```
#include<bits/stdc++.h>

using namespace std;

int main(){

    int t; cin>>t;

    string a,b;

    while(t--){

        cin>>a;

        b=a.substr(0,a.size()/2);

        cout<<(b+b==a?"YES\n":"NO\n");

    }

}
```
