CP With Shibam

Day-13

A. Die Roll

```
#include<bits/stdc++.h>

using namespace std;

int main(){

        int a,b;

        cin>>a>>b;

        a = 7-max(a,b);

        cout<<a/__gcd(a,6)<<"/"<<6/__gcd(a,6);

}
```

B. Fair Division

```
#include<iostream>

using namespace std;

int main(){

        int t, n, C, a, b;

        cin>>t;

        while(t--){

                a = b = 0;

                cin >> n;

                while(n--){

                        cin >> C;

                        (C==1?a++:b++);

                }

                cout << ((a%2 || (b%2 && a<2))?"NO":"YES") << endl;

        }

        return 0;

}
```
